Introduction to Homeschooling Parts 1 and 2

Join us for a discussion on the basics of homeschooling — legalities (Declaration of Intent, Pink Book, assessments), best practices, SURVIVAL! If you are in your first few years of homeschooling, come brew a cup of tea or cocoa and visit with others on this amazing journey with you!

HOME membership is only \$35 a year until October 31st,
and goes up to \$50 on November 1st.
The first parent meeting is free to all, then \$10 for non-members,
so membership makes a lot of sense!
Go to HOME-wa.org to learn about member benefits,
